

In your bag:

1. **Whittling Chip card:** This grants a Bear Cub Scout the right to carry and use a pocketknife. The final requirement is that you agree to abide by the safe knife policy by signing the Pocketknife Knife Pledge on the back. This card must be carried whenever a scout is using his knife. If the Cub Scout does not have the card in his possession, the knife will be collected and returned to the parent. A corner of the Whittling Chip card will be cut off for each violation of the rules. When the 4th corner is cut off, the card will be taken from the scout and the scout must go through training again, in order to receive a new card. The cutting of corners can be done by any adult who feel safety has been violated.
2. **Whittling Chip patch:** The Whittling Chip patch is considered a temporary patch and, if worn, should be centered on the right pocket of the Cub Scout shirt. It is not necessarily sewn on, even though it is pocket-shaped. A plastic patch hanger can also be purchased at the Scout Shop, if desired.
3. **Bear Claws Adventure Belt Loop:** Lastly, your Bear Claws belt loop is required for your Bear rank. Great job!!!
